Ahh, I'm so worn
Working at a convenience store isn't easy
Rattle
I'm back.
Fidget
Fidget
No, I've never had one come...
Dealing with customers is the hard part.
Hey, now.
Did another robber come today?
Oh...
Again, huh?
I'm not even surprised anymore.
Two more evil spirits came to the house
Though they immediately vanished.
MaryCom 6
"Finally Mary-san"
After all
I finally won an award
Heheh...
Well...
Nothing that comes will bother me anymore

I am calling about your award.
T-Thank you for contacting me
I'm Kaburagi Yuma, an editor.
We felt there was something shining in the way your story moved forward.
Thank you very much!
I would like to speak with you about what will happen now.
But it is still very rough.
Please think about the readers in the sentences you write.
Urgh
O-Okay...
Readers, huh.
Glance

clap
Shaaai-shai-shai-shai!
Hey!
Be quiet!
clap
clap
Okay!
Um...
Wednesday should work...
Yes!
Um, I apologise for asking so straightforward, but..
Well, that is all from me
Do you have any questions?
Yes!
Hahaha... The neighbour's kid is a bit noisy.
..?
Is everything okay?

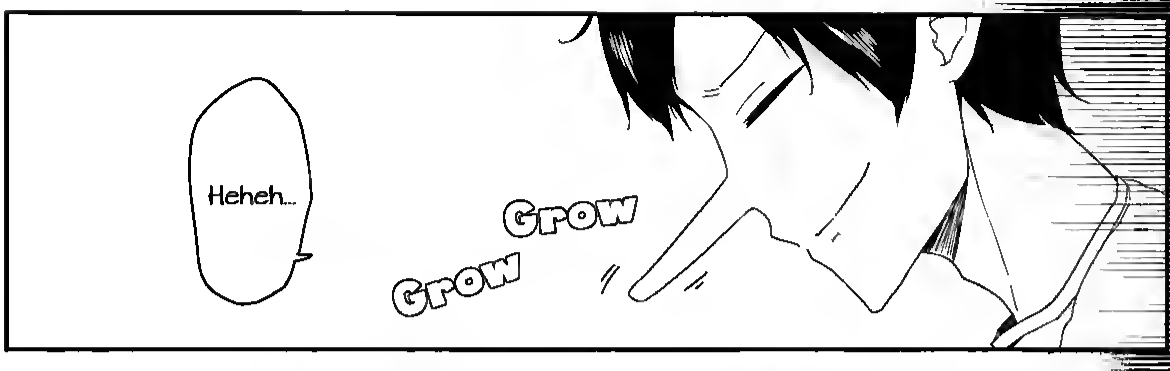
...When do I get the prize money?



Heheh...
Grow
Grow

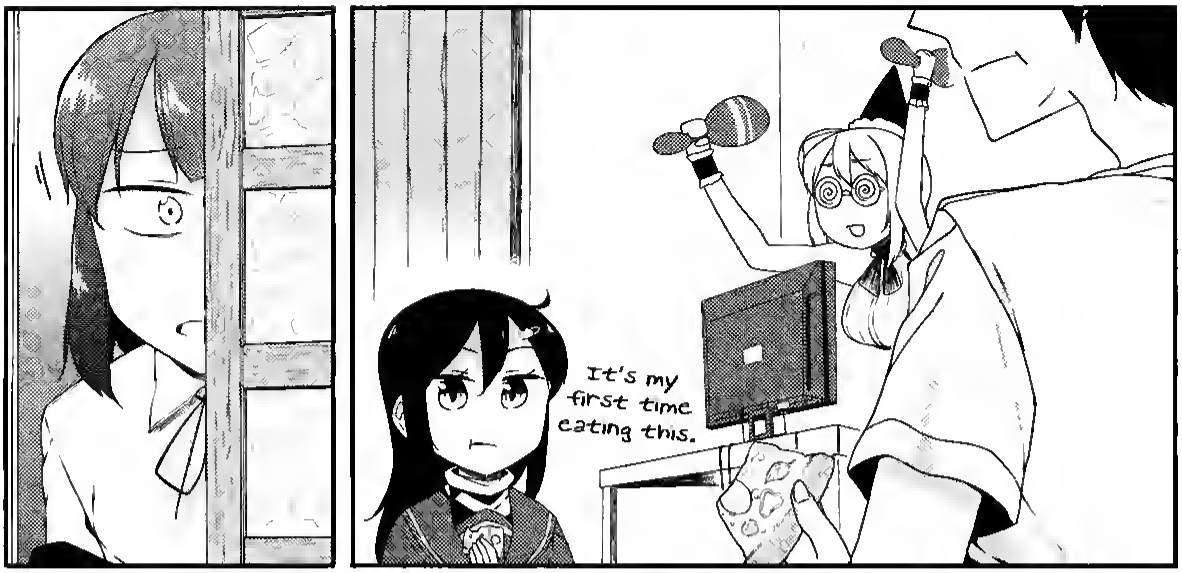
They say I'll get the money deposited soon
Hm-Hm

That's not an award!
It's the runner-up!
Point
Come on, now
Don't get such a long nose over taking the "Worthless Award"

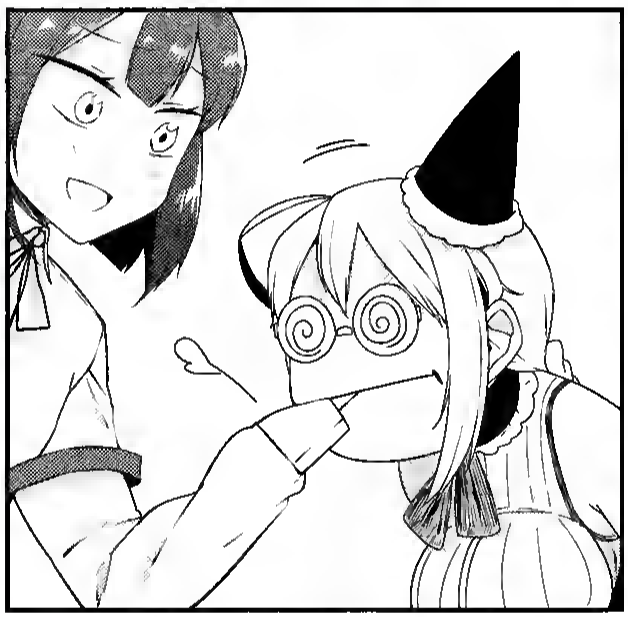
Yeaah!
N-No way!
I don't have the money yet!
Squeeze
Squeeze
Ooh!
Then let's go all out tonight!

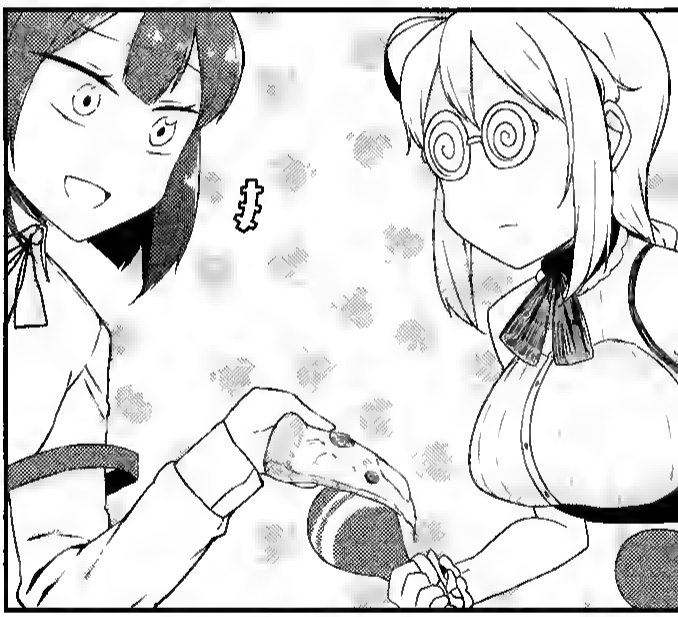
Wha?!
When did you take my phone?!
What kind of invitation is that?!
Argh
We might as well call over that little shrimp
Hello?
This is Mary
Yeah, bring it on!
You afraid?
Beep

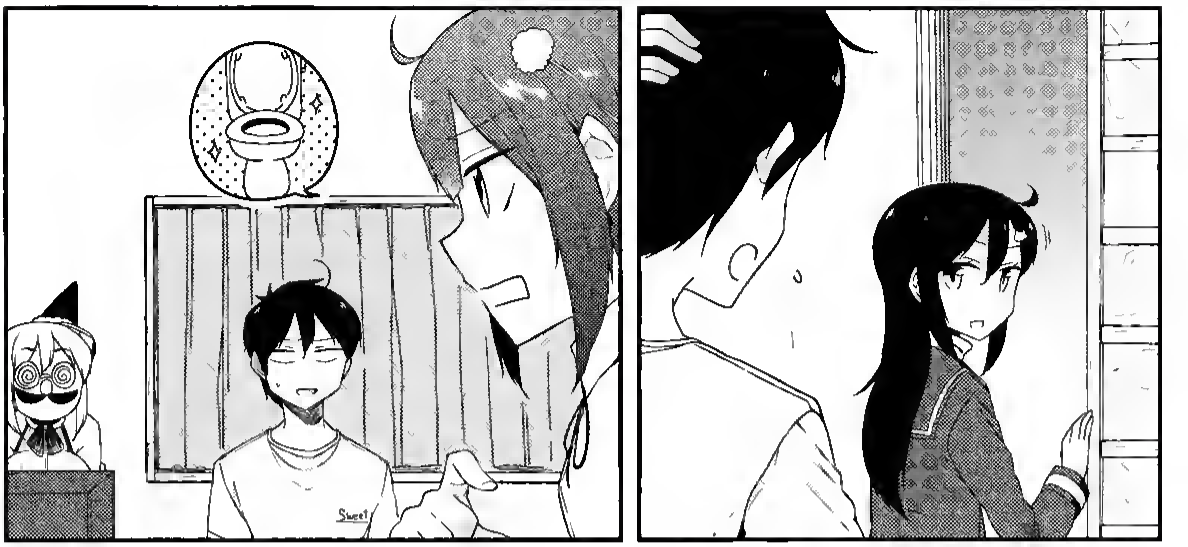
Hwah!



It's my first time eating this.







Burp

My stomach hurts.
I want to loosen up the wall
Urgh
I told you three large pizzas would be too much.
And you went and ordered appetisers, too.
It's not a belt...
Ahh, I can't eat anymore

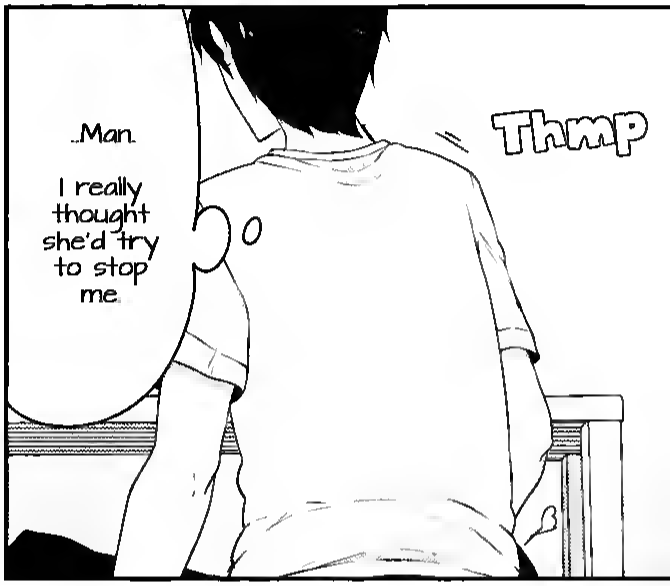
You better ride it.
But after winning this award, I feel like a new wave is coming.
Yeah.
..A lot of bad stuff has been happening lately.
..So,
what are you going to do?
You going to move when you get the money?
W-Well..
Of course I will.
Mrf
!

TL Note: The words for wall and shadow in Japanese are pretty close - "kabe" and "kage"

I'll keep telling you-
What?
You still intend to follow me?
I don't want to live in a haunted house
Hmmm.
I can't go anywhere because of this wall, after all.
Nahahah!
That was a joke.
What the heck?
Don't you mean shadows?
I'll be cheering you from the walls
Work hard in your new home.
.....

FSh
.....
Of course I'll work hard.

Her giving up so easily like that
actually kind of pisses me off..



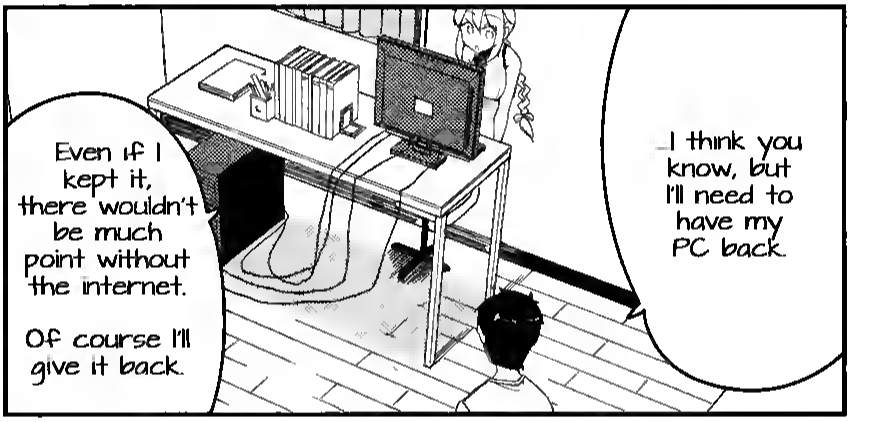
..Man.
I really thought she'd try to stop me.
Thmp

What?!
Then why are you still eating pizza?!
I'm a spirit
I don't need to eat
This pizza is good.
Munch
Munch

..Hm.
I know
What will you do for food?
Won't you be in trouble without me?
Hm?
I'll be fine

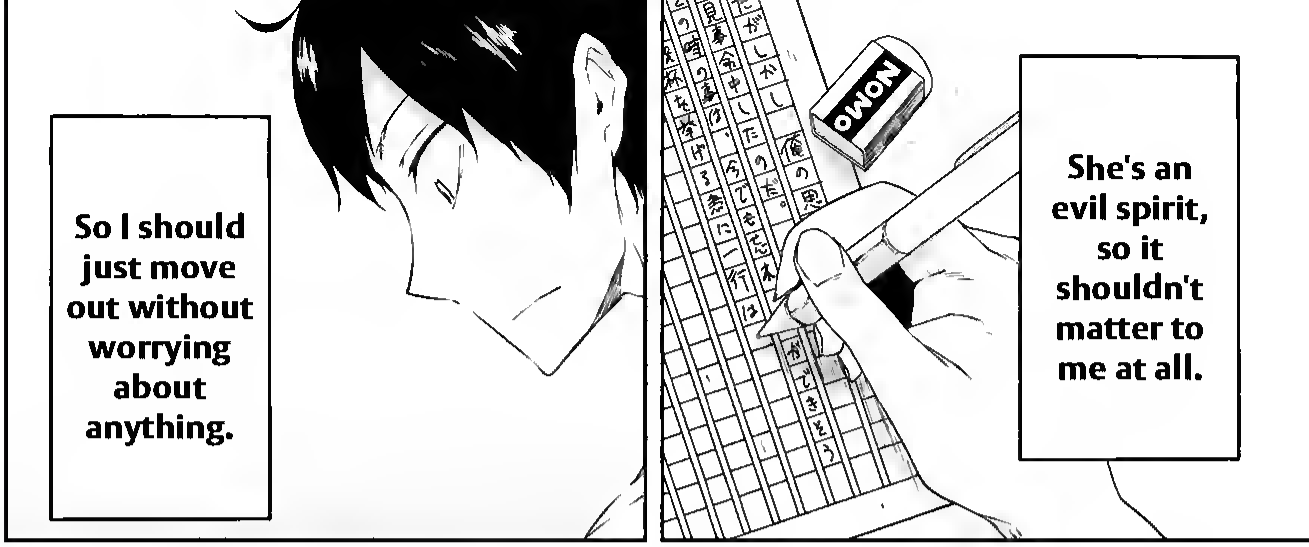
Slurp
I feel like it
Eating with other people makes it taste better, right?
Right now you're making things taste worse than anything.
Just how much food money have I wasted on you...?

...I see



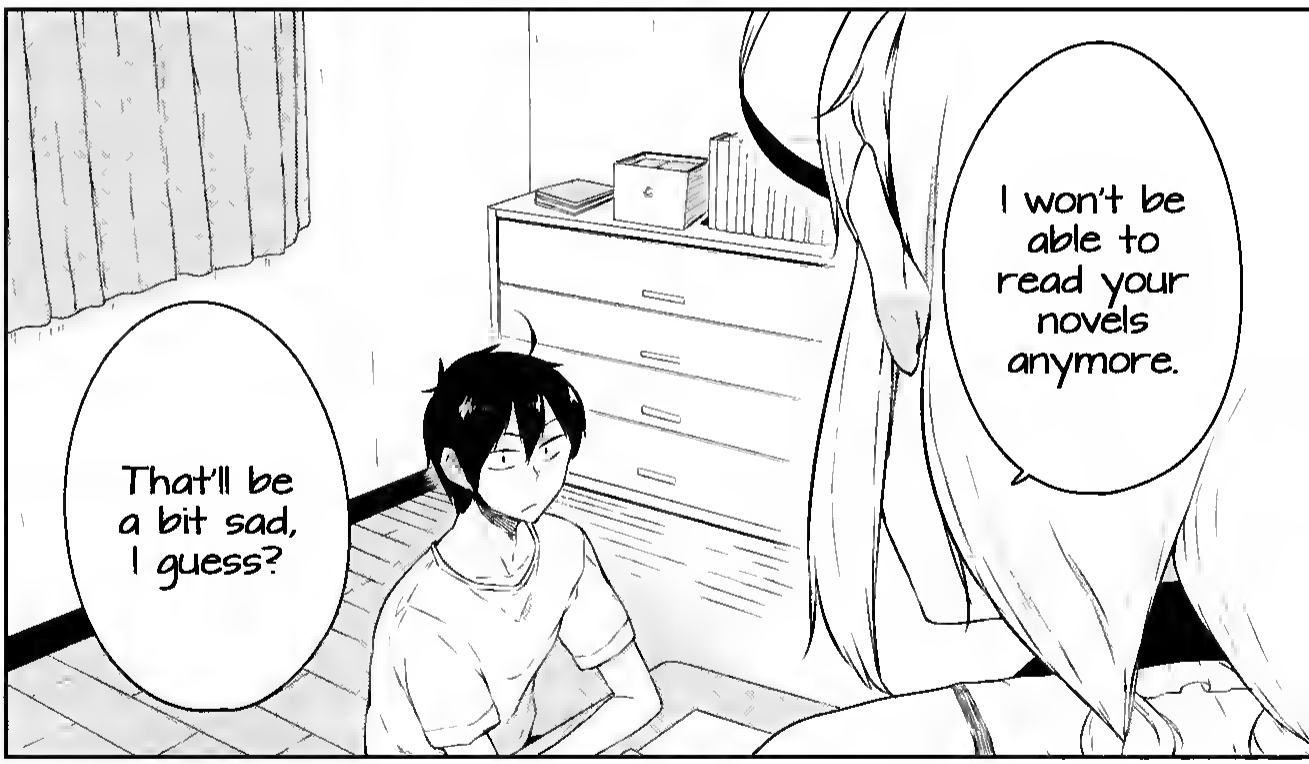
Even if I kept it, there wouldn't be much point without the internet.
Of course I'll give it back.
...I think you know, but I'll need to have my PC back.

Why am I
worrying about what will happen to her after I leave?

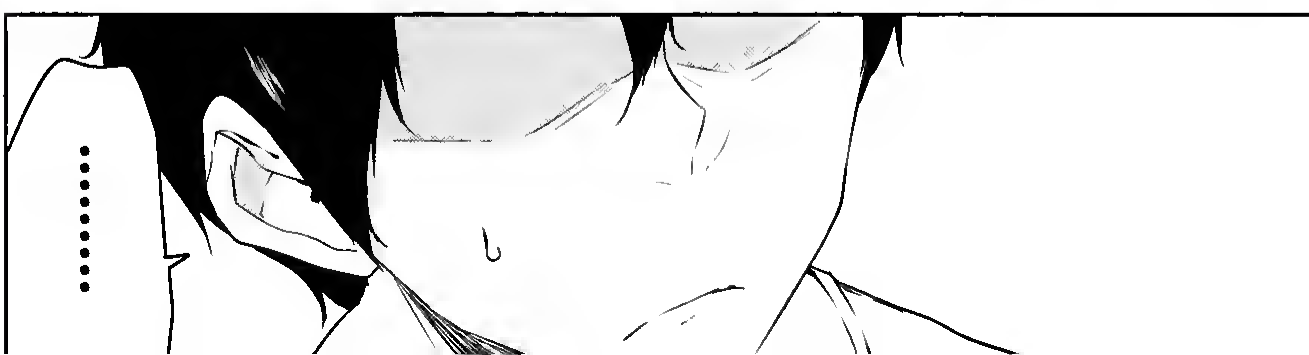


So I should just move out without worrying about anything.
She's an evil spirit, so it shouldn't matter to me at all.
NOMO

But you know
Hmm, well



I won't be able to read your novels anymore.
That'll be a bit sad, I guess?



.....

What kind of story will you write next?
...Hm.
I see
...Again.
...Well, I'm still thinking about it.
She usually... always
has such a foolish look on her face.
Except
when she's talking about my novels.

It was really good
...Or smile so warmly.
But it's pretty good,
which is boring
She can look so frustrated
That'll be a bit sad, I guess?
Or look so sad.
Makes me happy.
Even if she is an evil spirit.
...I don't want to accept it.
But having someone get so up and down over reading my novels...

An evil spirit.
And a lot of trouble...
And a deadbeat...
Yes.
I'll keep saying it.
She's an evil spirit.
Guess I'll read it again.
Grab
But.
She's also my first reader.
Gulp
.....
At the very least
I should listen to what she has to say...

Hey
Stare
.....
But the only one reading my novels right now
aside from the editor...
The editor told me over the phone
I need to think more about the readers in how I write...

Is you.

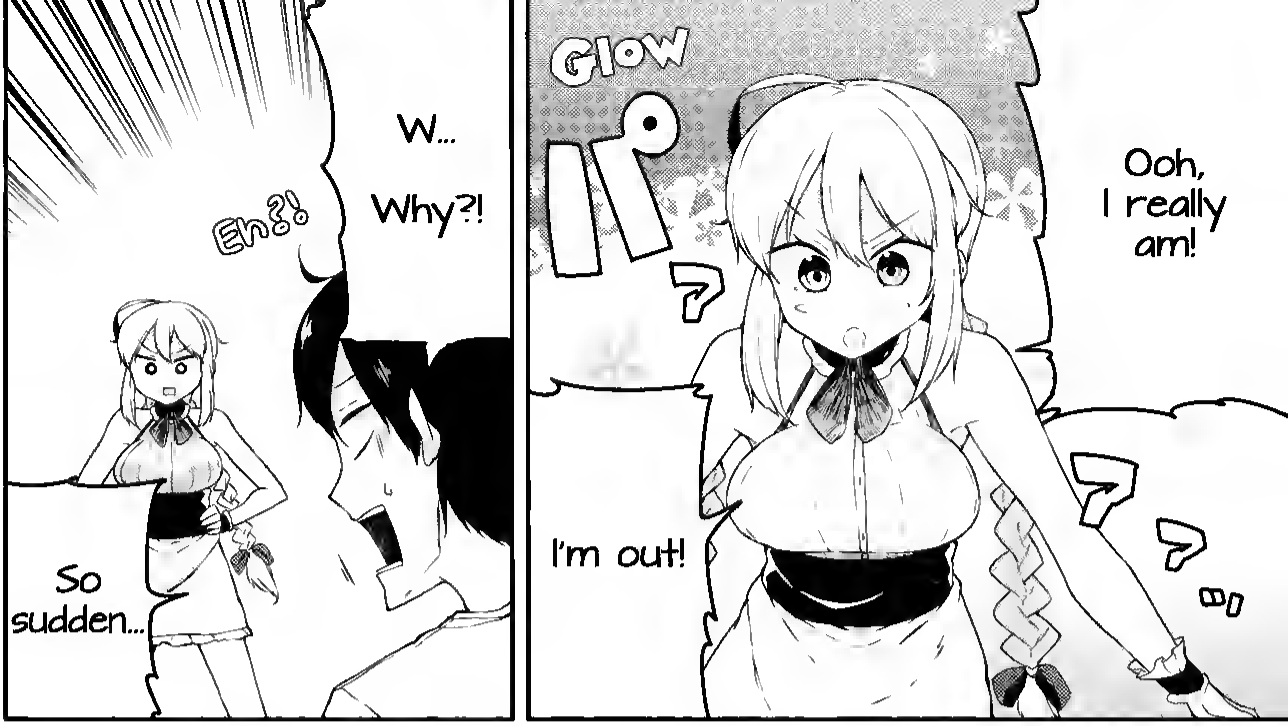
!
Startle
And I can't really leave this place entirely up to Kuyou-san.
But I'm starting to rethink moving out...
So I'm not really sure yet...
Shut up.
Hm?
What is it?
I'm talking.
Get back by the far wall.
And there's the recording Hanako-san has...
And...
Today's party was pretty fun...
Youhei.

Bwoooom
Wha-
Growl
I've been looking for youuu!
Fsh
Bwooooh
Sanshi-roooo!

W-Wait!
Sanshiro isn't here!
Oh, no...
I've had the wrong idea about evil spirits...
There are evil spirits like this?!
Eeek!
Wha?!
Eh...
A cow?!
He's huge!
I found you!
Eh?
There you are!
And take re-venge for my breth-ren.
I'll kill you!
I'll kill you!
I'm going to die.
Oh.

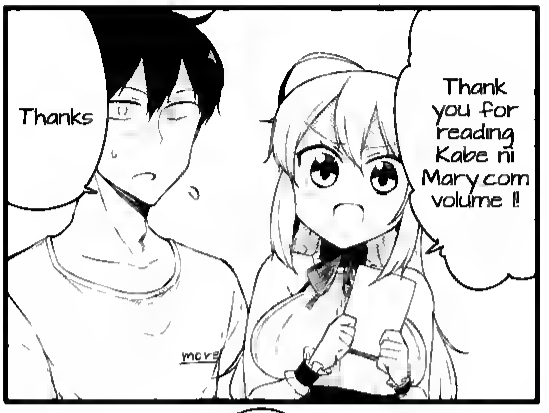
Bwam
Shut the fuck up.
fwsh
Sizzle
POP

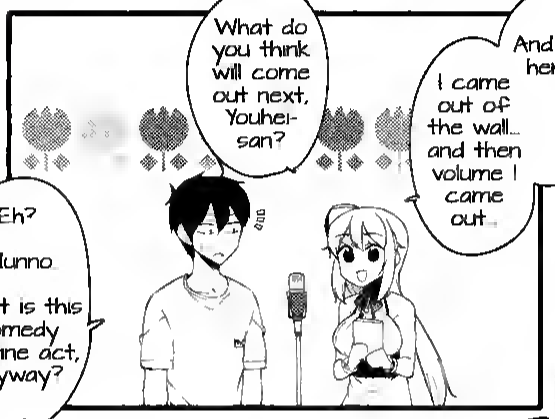
Ah, he broke the monitor
That stupid cow
Wh.
You...
No way...
You beat something that big with one punch...
Sizzle
Plop
Mary...
You're out of the wall...!
Wha?!
!!?
Booom
Ooh?



W...
Why?!
Eh?!
So sudden...
GLOW
Ooh, I really am!
I'm out!

...Hey, hey.
Now that I'm out of the wall...
Rumble
That means...
Kabe ni Mary.com!
The end!
Ehhhhh?!





What do you think will come out next, Youhei-san?
And so, here I came out of the wall... and then volume 1 came out.
Eh?
I dunno.
What is this comedy routine act, anyway?

See you in the next volume!

Afterword

Greetings. I'm Kobashiko.

Thank you for reading volume 1 of Kabe ni Mary.com.

This is my first time drawing a non-4koma manga, so I had a lot of trouble. Manga is really difficult.

It seems that there wasn't a single chapter in volume 1 that took place outside of the house. I wonder how that happened. It's not like I did it on purpose. Maybe my introverted nature was showing in my manga. How embarrassing.

Finally, thank you to my editor, Itou-san, as well as the designers, and Tadano-kun, who helped me. And also to all the readers!

I hope to see you in volume 2.
